MEET THE PRODUCTS

INSTANT TIGHTENING AND RESTORING SERUM

Instant Tightening and Restoring Serum visibly lifts, firms, minimizes, and restores for immediate time-shattering radiance. Naturally occurring minerals render an immediate tightening effect for a look that is visibly lifted. Wrinkle depth and pore size are safely and visibly decreased, restoring the look of youth and beauty.

DARK SPOT CORRECTOR AND BRIGHTENING CREAM

Dark Spot Corrector and Brightening Cream corrects, evens, hydrates, and nourishes for beautifully youthful looking skin. One of the most effective brightening agents in the world helps restore for a flawless finish. Multifunctional extracts not only moisturize, they also protect from the harsh effects of one's environment. Selectively chosen elements lend their superior ability to absorb quickly and efficiently into the skin while leaving a light and silky finish.

THIRD PARTY CERTIFICATIONS

At Jouvé, we hold our formulators and manufacturers to a very high standard. But you don't have to take our word for it. Over the past year, Jouvé has been EWG Verified and Leaping Bunny certified proving that our products are safe and non-toxic as well as cruelty free.
